THE GREY OAKS COMMUNITY SWIMMING POOL AND TENNIS COURTS

The first thing you notice in Grey Oaks is the tree lined sidewalk to the entrance of each neighborhood. The Grey Oaks Community Swimming Pool and the Tennis Courts are within walking distance from all of the neighborhoods. The pool is a “beach entry” pool design that allows you to enter the pool as if you were at the beach. The entrance to the pool is a gentle slope from the pool apron into the water. There is a children’s section of the pool with a mushroom shower and slide. The main pool has 6 lanes that can be used by the future Grey Oaks Community Swim Team for competitive events. Adjacent to the swimming pool there are two tennis courts. You will enjoy the benefits of walking and getting to know your neighbors in Grey Oaks.

We invite you to customize our plans to personalize your home!
